

SHELBURNE MUSEUM

CLASSIC AUTO FESTIVAL

This Father's Day weekend, Shelburne Museum and the Vermont Auto Enthusiast present **What did your father drive?** as the 2017 Classic Auto Festival theme. Be on the lookout for vehicles arranged throughout the Grounds by various eras, including a special display **Celebrating 50 years of the Chevrolet Camaro**. And don't forget to check out the *Trailblazers: Horse-Powered Vehicles* exhibition in the Round Barn to remind us how far transportation has come!

Please enjoy access to the Museum's galleries and collections, which include American folk and fine art, world renowned French Impressionist paintings, historic quilts, Vermont-made firearms, the steamship *Ticonderoga*, and more.

Special exhibitions on view include *Wild Spaces, Open Seasons: Hunting and Fishing in American Art, Upstream with Ogden Pleissner, Pieced Traditions: Jean Lovell Collects, Carpet Diem: Molly Nye Tobey Designs for the Mid-Century Home*, and outdoor sculpture by Aaron T Stephan.
