

Corporate Engagement Opportunities at Shelburne Museum

For nearly 75 years, Shelburne Museum has engaged visitors in the delight, whimsy, and pleasure of art, design, and Americana through a robust collection of objects, buildings, and landscapes. Our varied exhibitions and programs support the Museum's mission to inspire curiosity and creativity in our growing 100,000-visitor audience.

Shelburne Museum offers several opportunities for businesses of all sizes to engage with the Museum's visitors. Companies wishing to support the Museum with a charitable donation can do so at various levels through either our business membership or corporate sponsorship programs.

The Museum also offers corporate Family Day opportunities, discounted from general admission rates, for companies looking to celebrate colleagues and/or clients and provide a day exploring and enjoying the grounds of Shelburne Museum.

BUSINESS MEMBERSHIP

No matter the size, your company can become part of the Shelburne Museum community and support the arts locally through Business Membership. In addition to aligning your business with the region's premier museum of art and history, your business will receive high-value benefits to share with employees and cultivate clients.

CORPORATE SPONSORSHIP

Sponsoring the Museum's exhibitions, events, educational and public programs not only presents a unique opportunity to boost brand awareness, it also advances your client, vendor, and employee connection to Vermont's vibrant arts community. Museum sponsorship gives your company access to a sophisticated and affluent audience from Vermont, New England, and New York. Your support of northern New England's largest art and history museum demonstrates a commitment to culture.
